## Windshield repair protection

- Front windshield repair of chips and cracks caused by propelled rocks or road hazard debris while driving on public roads, streets and highways.
- Won't increase your vehicle insurance premiums if used
- At your convenience repairs can be done at the dealership, home or office

**800-338-2680**

## Tire and wheel protection

**Flat tire coverage:**

You will be reimbursed for the full amount of charges incurred for the repair of flat tires caused by road hazards

**Tire replacement:**

Reimbursement is provided should the tire become non-repairable due to impact leads, snags, cuts, puncture or other road hazards

**Wheel/rim protection:**

Reimbursement provided for expenses arising out of the repair or replacement of wheels rendered unserviceable due to failure of the wheel covered under your contract

**Mounting/balancing and taxes:**

Reimbursement is provided for the cost of mounting and balancing for any tire covered by your agreement. We will absorb the cost of all local and state taxes, where applicable, as required as part of a covered repair

## Dent and Ding Protection:

(paintless dent repair)

Developed for the automotive industry by automotive manufacturing teams utilizing special tools and techniques to push dented metal back to its original form. This process permanently removes door dings and minor dents without harming a vehicle's factory finish

- No paint required
- Permanent repair of minor dents and dings
- Won't harm your vehicle's factory finish
- Designed for the automotive community by auto manufacturing teams
- No-hassle, easy to use

Whenever you are driving, you'll enjoy the secure feeling of knowing you are protected by the Continental UltraCare Road Protection Program.

Fast response and excellent service are just two reasons why millions of motorists rely on Continental Warranty for on-the-road protection.
